

Privacy Policy

Effective Date: August 6, 2026

At ExploreCME, we value your privacy and are committed to protecting your personal information. This Privacy Policy explains what information is collected when you use the ExploreCME application and how it is used.

Information We Collect

Account Information

To provide secure access to the application, ExploreCME uses **Clerk** as its authentication provider. Clerk securely manages user registration, login, password management, and account authentication. The information collected for authentication is handled in accordance with Clerk's privacy and security practices.

Payment Information

If you purchase a subscription or other paid services, payment processing is handled securely by **Stripe**. ExploreCME does not collect, store, or have access to your complete credit card or payment information. Payment data is processed directly through Stripe using industry-standard security measures.

Information We Do Not Collect

Beyond the information necessary for secure authentication and payment processing, ExploreCME does **not** collect, store, or retain personal information within the application. We do not maintain databases containing personal profiles, medical information, or other user data.

How Your Information Is Used

The limited information processed through our third-party providers is used solely to:

- Authenticate your account and provide secure access to the application.
- Process subscription and payment transactions.
- Maintain the security and integrity of the platform.

Third-Party Services

ExploreCME relies on trusted third-party providers:

- **Clerk** for secure user authentication and account management.

- **Stripe** for secure payment processing.

Each provider maintains its own privacy policy and security practices governing the information it processes.

Data Security

We work with industry-leading providers that employ appropriate technical and organizational safeguards to protect your information during authentication and payment processing.

Children's Privacy

ExploreCME is intended for healthcare professionals and healthcare professional students. It is not designed for or directed toward children under the age of 13.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our services or applicable laws. Any updates will be posted within the application or on our website with a revised effective date.

Contact Us

If you have questions about this Privacy Policy or the handling of your information, please contact us at:

Email: customer.support@explorecme.com

If you'd like, I can also prepare a **Terms of Service** and **EULA (End User License Agreement)** for the ExploreCME app to accompany this privacy policy.
